Governor Brown signed the Racial and Identity Profiling Act of 2015 (AB 953) which requires state and local law enforcement agencies, as specified, to collect detailed data regarding stops of individuals, including perceived demographic information on the person stopped, and to report this data to the California Attorney General. The California Department of Justice is adopting six sections in title 11 of the California Code of Regulations to outline the reporting requirements of AB 953. These regulations set forth the information required to be reported by officers, definitions of terms used in the regulations, and specific guidance regarding the reporting required under Government Code section 12525.5, subdivision (b).

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 11/7/2017.
