TITLE 11. LAW
Division 3. Gambling Control
Chapter 1. Bureau of Gambling Control
Article 7. Games.

Section 2077. Games with a Player-Dealer Position; Rotation; Operation of Game.

- (a) A game that features a player-dealer position shall include in its rules the following:
- (1) The player-dealer position may only be occupied by a person seated at the table, and shall be offered to the other seated players at the table before every hand. The game rules shall specify the means by which the player-dealer position is selected at the opening of a new game, and upon rotation of the player-dealer position to the next person.
 - (2) There shall be written notice at each table informing patrons when a player may accept the player-dealer position. The written notice shall state "Any player can assume the player-dealer position when it is offered to them. The player that assumes the player-dealer position cannot win or lose more than the amount they wager on any single round of play. If the player-dealer does not have sufficient funds to cover all wagers, wagers will be settled according to the approved game rules."
 - (3) Before every hand, the dealer shall offer the player-dealer position verbally and physically to each of the seated players at the table. The offer shall be visible to surveillance cameras.
 - (4) The player-dealer position shall rotate to at least two players other than the TPPPS every 40 minutes or the game shall end.
 - (5) If rotation of the player-dealer position has not occurred and the game ends as prescribed in subdivision (a)(4) of this section, game play shall stop, the table shall be cleared of all wagers and cards, no cards shall be dealt, and no wagers shall be made. No further play shall be allowed or commenced unless and until another person accepts the player-dealer position. If there is only one player at the table in addition to the TPPPS, the player-dealer position shall rotate to that player a minimum of two times every 40 minutes or the game shall end.
 - (6) If the 40 minute mark is reached during a round of play, the round of play may be completed before the game ends.
 - (7) If the player-dealer position is occupied by a TPPPS owner licensee, or a TPPPS employee licensee, as defined in California Code of Regulations, title 4, section 12002, subdivisions (aw) and (as), the next person in the rotation of the player-dealer position shall not be the owner or employee of that TPPPS.
